Monthly Report for November 2023

THE DIRECTOR'S BOX

'The Directors' Box'... Bob feels you need to know the following....November 2023

Ups for the month of November 2023

Parks and Rec Landscaping and Maintenance Staff prepares Sevierville for Winterfest and the Holidays....

- Our Landscaping and Maintenance Staff completed installing Winterfest and Seasonal decorations around the city. I would like to commend everyone for providing a most positive presentation for our city. See additional pictures on the last page of this report.

City Hall

Community Center

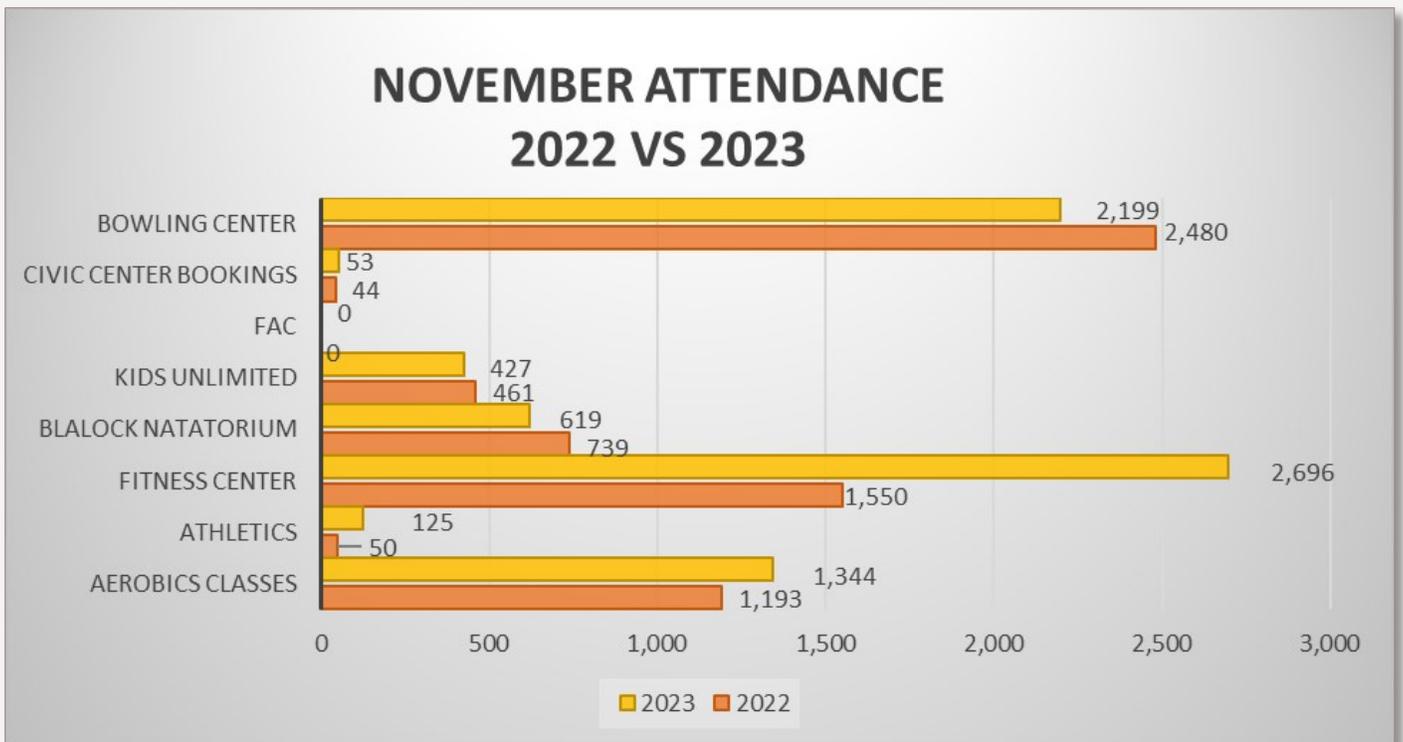

- Phase I of improvements to Northview Park was completed this month. The new security fence and the baskets for the new Disc Golf course were installed.

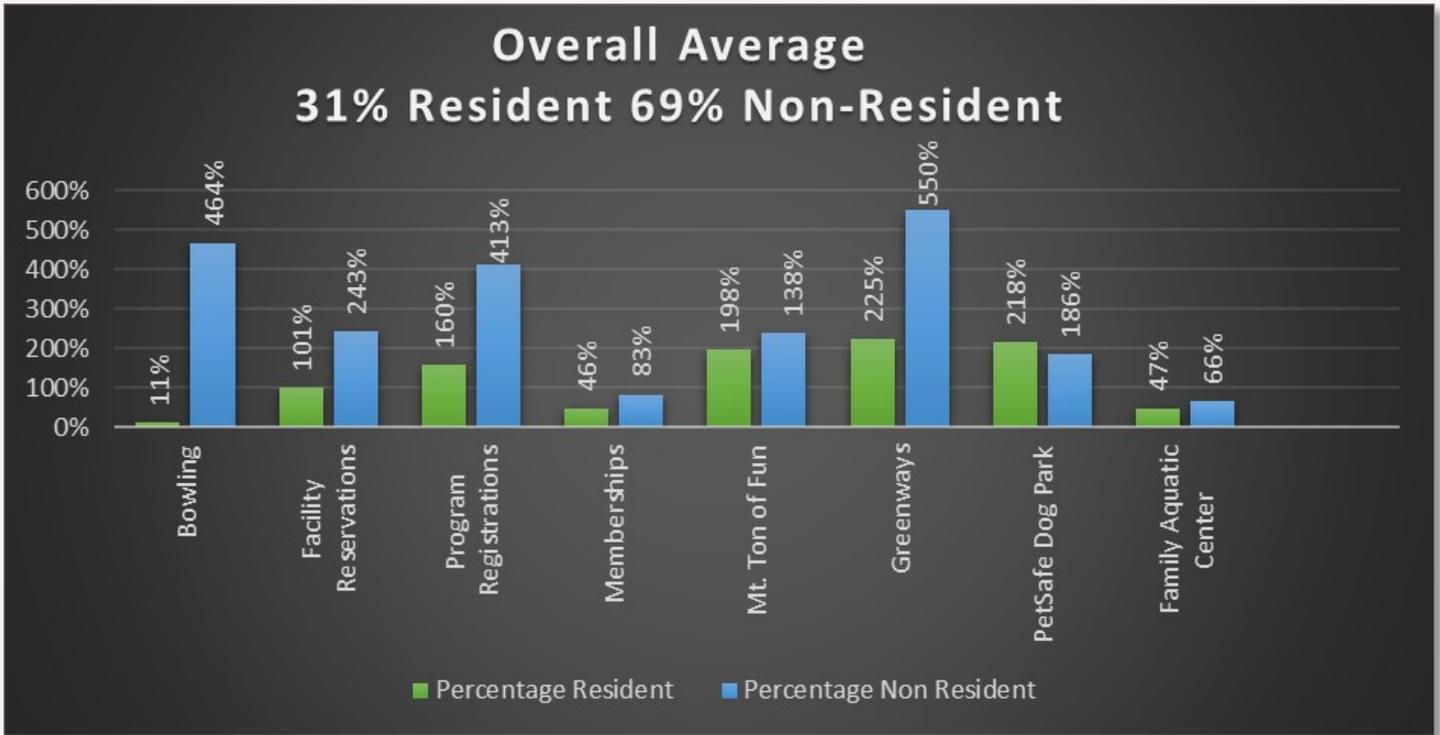

Not So Much an Up for the month of November 2023

We were informed by the Contractor that the new Children's Center will not be completed by the original completion date. That building will take several months to be completed and this construction will not even start until after the first of the year. It is anticipated that the Lobby and Fitness Center will open in early March 2024.
